

## **Protecting You And Your Packages From The Package Pirates**

- 👤 Tis the Season Again, it is that time a year again when the Package Pirates Attack. They wait for you to receive your packages at your door step while you are gone or asleep, then they swoop in real fast and still your packages!
- 👤 We here at OTH don't like seeing that happen to our customers! It is Not Right And Very Wrong In So Many Levels!
- 👤 We have at OTH have some tips line out for you to hopefully protect you and your packages.
  - 📦 Tip #1; During check out, in the comment section, type in a message/directions for your shipping provider how/&/where to leave your package.
  - 📦 Tip #2; After you have received your shipment confirmation email from OTH stating your order has shipped, in the email is your shipping provider and tracking #, use that info to contact your shipping provider to make arrangements on how/&/where to leave your package.
  - 📦 Tip #3; Make Arrangements with your shipping provider to either drop off your package to a Drop Off/Pick Up Access Point, or to pick up your package at their facility.
  - 📦 Tip #4; Invest into a Front Porch Package Drop Off Box with a Lock. Make sure the Drop Off Box is mounted to your porch, make sure the lock is un-locked, leave a note with your shipping provider to leave your package in the Box and Lock it when done.
  - 📦 Tip #5; Be there when your package is delivered.
- 👤 These tips will help you in protecting your packages from the package pirates!
- 👤 OTH is not responsible for Stolen Items from the Package Pirates, No Claim can be made if your package is stolen.
- 👤 From All Of Us Here At OTH, **Happy Holidays!**
